## September Highlights

### DATE CHANGE...

The 2010 Camera Crew Celebration has changed dates to **Sunday, September 19th from 4pm-6pm** due to a conflict with the Move the Mountain Prayer Rally and Leader's Gathering which you are all welcome to attend. We will be celebrating the faithful volunteers who serve on the Camera Crew. . .yes, that would be you. We will have all sorts of games and activities for you and your family, share a meal together, give away some awards, and just have a good time together. We will also be playing back a few select songs from the past several concerts at Trinity Fellowship so you can admire your own camerawork. The event will be held in the Youth Foyer at Trinity Fellowship on Sunday, September 19th from 4pm to 6pm. With the newly changed date, please let me know if your RSVP will change too, or if you haven't had a chance to RSVP, please do so by contacting me.

### NEW OPERATOR TRAINING

We will be training new camera volunteers on **Saturday September 11th at 3:30pm and Saturday September 18th at 3:30pm** in the Worship Center near

entrance C. Trainees need only to attend one of the 2 dates, whichever works better for them.

There are 3 ways I would like you to consider getting involved with this training.

**1. Pray.** Pray that God would bring new volunteers to the trainings to join the Camera Crew. Also ask God if there is anyone he wants you to invite to a training.

**2. Invite.** Use the enclosed invitations and personally ask a few people that either God has laid on your heart or that you think could run a camera to come to a training and leave the results up to God. Please let them know that by coming to a training they are not committed to joining. This is a great way for them to check out the Camera Crew.

**3. Train.** If you feel so inclined, pick one of the two Saturdays and come help with the training. I will be walking everyone through the basics and then when it is time to hop on camera, I need a few people each Saturday to help the new volunteers one-on-one with the cameras.

Thanks for your dedication to serve!
