CAMERA CREW SPRING TRAINING

Mark your calendars and make plans to attend the...

Camera Crew Spring Training
Sunday, May 6th
3pm-5pm
Worship Center

This training is for everyone currently on the Camera Crew. We will be doing the same focus exercise as last year as well as going over a few other important things. If there is anything you think we should train on, please let me know soon by phone, email, or text. At the conclusion of the training, we will have a time for fellowship with a light dinner provided. If for some reason you are not able to make it, please let me know as soon as possible.

CAMERA CREW PRE-SERVICE MEETING

For the month of May, instead of meeting by the jib, we will meet in the control room 20 minutes prior to service. We thought we would try it out in order to get all of us together in the same place.

VOLUNTEER POSITIONS

If you would like to be more involved in not only serving on the Camera Crew, but also serving the camera crew, we have a few other volunteer tasks for you. Just let me know if any sound interesting to you.

Badges – Instead of having everyone run back to the dream team to drop off their badges, you can set your badges in the control room and one of our volunteers will refill them for you in the Dream Team room. If you would like to do this at the service you serve at, just volunteer before the service.

Camera Crew Care – We would like someone to send out emails to the crew when prayer requests come in. We would also like someone to do things like organize meals or get cards etc. for a crew member who may need it. The goal here is to build community within the camera crew to see to each others needs.

Recruiter – This person will attend the Dream Team 401 class at the end of each month and talk to potential volunteers about the Camera Crew.
